About World Campus

World Campus International is a non-profit organization, which provides a unique access to Japan.

As a participant of the World Campus - Japan program you will be joining various activities together with your fellow travellers from all around the world. You will get the chance to interact with the local community and learn about Japan and the world.

Sami Batescoff, Israel

"Visiting Japan is very different from experiencing it: Through World Campus - Japan I got to actually experience Japan. The program is a great boundary breaker between foreigners and the Japanese. Through the program I met many new people and established new family members!"

Diversity

Travel with 20 to 40 people from over 15 different countries and make new friends while learning about their countries and cultures.

In the evening and night you will be with your host family, giving a unique insight in Japanese daily life. You will be able to experience Japan from an inside perspective.

Sabine Boom, the Netherlands

"After spending an amazing 3 week session with this program in 2016, it was a no-brainer for me to join all 3 sessions in 2017 too. I learned so much about Japan. The families and communities are so welcoming and fun! You do everything with a group of people from all around the world, getting closer with them in 3 weeks than you'd ever expect."

Hands-on Curriculum

Learn about Japan through interaction with people from all walks of life, such as students and sword-masters.

There will be three sessions to choose from, each set in different parts of Japan. Each session lasts approximately three weeks. During that time you will visit three different cities and interact with their communities. You can choose to join one, two, or all three sessions.

Arigato Events

Express yourself through dance, music and art during "Arigato Event" to thank the local communities and host families.
